

EAST RAND MALL SHOPPING CENTRE

BOKSBURG, GAUTENG, SOUTH AFRICA

PROJECT TYPE: SHOPPING CENTRE

CLIENT:

East Rand Mall (Pty) Ltd

VALUE:

R 75 million

CONSULTANTS:

Architect: Bental Abramson

Structural Engineer: KAY P

Quantity Surveyor: MLC

PROJECT DURATION:

18 months

DATE OF PROJECT:

November 1990 - April 1992

PROJECT DESCRIPTION:

A 46 000 m² Shopping Centre linked to Boksburg Pick 'n Pay Hypermarket.

A feature of the complex is the barrel vaulted roofs over the walkways and arched node points, which allow a large percentage of natural light into the centre. Tenants include major banks and retailers, including fashion boutiques, jewellers, restaurants, fast food outlets and cinemas. The Centre has easy access from major freeways and is the premier shopping centre of the East Rand
