

SKUKUZA SAFARI LODGE

KRUGER NATIONAL PARK, SOUTH AFRICA

PROJECT TYPE: NEW SAFARI LODGE

CLIENT:
SANPARKS

VALUE:
R 200 million

CONSULTANTS:
PQS: Crane Construction Consultants
Principal Agent: PMSA

PROJECT DURATION:
16 months

DATE OF PROJECT:
May 2014 – May 2015

PROJECT DESCRIPTION:

The project comprises a 128 bedroom, three star double storey hotel in a figure eight configuration with bedroom wings on either side of the double volume.

Works incorporate a thatched public facility with lounge, restaurant, kitchen and rest rooms offering four star service to wildlife conference attendees utilising Sanparks existing conference facilities. The bedrooms look inwards to inner courtyards to each wing with pool and landscaped areas. Construction also includes single quarters for hotel and visiting staff inclusive of extensive external works
